   visual marker of the working surface. AH points out that employee health phone
   consultation (206-685-1026) is available in case of injuries not requiring

   meeting to the committee. See also u-wide meeting minutes at
   https://www.ehs.washington.edu/ohssafcom/mtgminutes16.shtm

   An official ‘area of refuge’ must follow strict WA state code, which no building on
   campus meets. Yet, Mark Murray is available to identify ‘safe areas to be rescued from’
   (mmurray@uw.edu, 206 616-6261).

5. Open Discussion: SZ: Please submit updated EEOPs if you haven’t done so.
   Update MyChem by 12/31. AC reports of the tent city moving into parking lot W35 in 4
   weeks and the transition efforts. JW is thinking about evacuation procedures for the
   time the UW hosts the tent city at an evacuation spot.
